Lab Day East | Grand Hyatt New York
Saturday, April 6, 2013 – 9:00 AM - 4:00 PM

Park Avenue Room

Hands-On Courses

Cercon® ht Full Contour Zirconia
9:00 AM - 11:00 AM
Grab this hands-on opportunity to learn how to achieve optimum esthetics with Cercon ht full contour zirconia, the next generation of Cercon® technology. Use the Cercon® Stain and Glaze Kit to achieve easy-to-produce, highly esthetic results, in choice of 16 custom shades. Limited seating - registration required.

Course Fee: No Charge
Credit Hours: 2/program

The Latest in Light Cured Prosthetics
1:00 PM - 3:00 PM
Light cured appliances are gaining in popularity due to time saved in processing and other advantages. This lecture/hands-on course will give you the opportunity to interact with resins that can be cured in the Enterra® VLC unit to make clear base/hybrid dentures, nightguards, splints, custom trays, and more! Limited seating - registration required.

Course Fee: No Charge
Credit Hours: 2/program

To register for either course: Call 1.800.243.1942, Ext. 56040
